3.6. Players are not allowed to play in an age category older than their own age category.

3.7. If a pair consists of players from different age categories, the pair shall play the category of the youngest player of the pair or any other younger age category. Example: Player A is 47 years old, player B is 56 years old. This pair can participate in the +45 category (or younger).

3.8. The player is responsible for avoiding overlap in case he/she registers for 2 categories in coordination with the referee and according to the rules in 3.10 of this Regulation.

3.9. Tournament registrations open 4 weeks before the start of the tournament and close on Monday night 23.45 the week before the tournament. No exceptions are allowed after the closing of the registrations. Padel Belgium reserves the right to change the closing date due to unforeseen circumstances. The draw is published on Tuesday the week before the tournament.

3.10. Players must be available during the indicated playing moments of the category they sign in. The indicative playing schedule is communicated when registrations open. If not available, players may not enter the tournament. Non availability after the closing of the registrations is equal to Forfait (= Walk Over non excusé). Exceptions are only allowed according to point 3.10 of the Regulation.

3.11. Exceptions to the playing schedule can only be made in coordination with the referee according to the following rules:

- The indicative playing day is the official playing date.
- If a player/team cannot play on that date, they must get agreement from their opponents AND from the referee to reschedule the match.
- Matches can only be rescheduled if there are courts available on the new arranged playing date. The referee must check availability before agreeing to the rescheduling.
- In case no agreement is reached, the player that is not available to play on the initial playing date receives a Forfait (= Walk Over non excusé).

3.12. If the maximum number of registrations is reached, the organization will reject registrations based on the lowest sum of 'klassement / classement' of both players (player A + player B). In case of an ex aequo, the team that has the highest teamranking (position player A + Player B) of the AFT Padel ranking/ Padel Tour ranking Padel Vlaanderen will be able to participate. If a player has a ranking in both, AFT Padel and PVL, the best ranking is taken into account.

3.13. A Senior Belgian Padel Tour counts as an official tournament for the maximum restriction on the number of tournaments per week in the regional federation. Players are responsible to check this for themselves. If the organization is notified of an offense of this rule, the players will receive Forfait (= Walk Over non excusé) in all tournaments of this week.

4. TOURNAMENT FORMAT

4.1. All matches are played to 2 winning sets first to 6, with a match tiebreak to 10 in case of a third set.

4.2. On one day maximum two matches can be scheduled. Players can request a break of maximum 30 min between two matches. The tournament planning does not take into account that players register for two categories. If a player decides to register for two categories he/she agrees that a maximum of four matches per day may be played.

4.3. All matches are played with Golden Point.

4.4. Coaching is allowed according to the following rules:

- 4.4.1. During the changeover between games/sets. Exception, coaching is not allowed during tie-breaks.

- 4.4.4. Players that participate to the tournament are not allowed to coach other players. Exception, a male player may coach a female player and the other way around.

5. COMPOSITION OF THE MAIN DRAW

5.1. The supervisor representing Padel Belgium will make the main draw in connection with the club tournament director.

5.2. Depending on the number of registrations, there will be 1 seed per 4 registrations placed on the main draw. These seeds are determined by the best sum of Senior Padel Belgium ranking points (as defined in 6.5). The 2 teams with the highest sum of Senior Padel Belgium ranking points* (Senior Padel Belgium ranking points player 1 + ranking points player 2) will be respectively 1st and 2nd seed and placed at opposite sides of the table. The other seeds, are placed as below. In case teams do not have Senior Padel Belgium ranking points, seeds are determined by the sum of 'klassement/classement' of both players (player A + players B). In case there is an ex aequo, the team that has the highest teamranking (position player A + Player B) of the AFT Padel ranking/ Padel Tour ranking Padel Vlaanderen will be the seed. If a player has a ranking in both, AFT Padel and PLV, the best ranking is taken into account. In case there is still an ex aequo, toss will decide.

- Draw with 4 seeds (draw 1/8 final)
 - Seed 1 top of the draw
 - Seed 2 bottom of the draw
 - Seed 3 and 4 are placed by draw and can only play seeds 1 and 2 in ½ finals

5.3. After the draw is published, the following must be applied:

A team (both players) that is not available on the planned moment can:

- Unregister from the tournament, this will result in a forfait (non excusé) or a walk-over (excusé) depending on the reason.
- Be replaced by a reserve team (only if the sum of "klassement/classement" is not higher than the team being replaced)
- Reschedule the match according to 3.10 in this Regulation

A team in which only 1 player is available can:

- Replace 1 player
 - The "klassement/classement" can never be higher than the player being replaced

The following is not allowed:

- 2 teams may not split up and form new teams
- Teams cannot be switched in the draw

6. SENIOR PADEL BELGIUM RANKING

6.1. The Senior Belgian Padel Tour tournaments count towards the 'Senior Padel Belgium Ranking'. There is 1 ranking for male and 1 ranking for female players.

6.2. After each tournament, the rankings will be updated and published.

6.3. Ranking points will be awarded to the Senior Padel Belgium Ranking according to the stage reached in the competition. When participating in two categories, the highest stage reached in both categories will determine the points allocated. These points do not count for AFT Padel and Padel Vlaanderen.

| SENIOR BELGIAN PADEL TOUR RANKING | 4-8 teams | 9-16 teams |
|-----------------------------------|-----------|------------|
| Winner | 1500 | 2000 |
| Runner-up | 900 | 1200 |
| 1/2 final | 540 | 720 |
| 1/4 final | 0 | 360 |

- 6.4. In case the tournament is played with less than 4 pairs, there are no ranking points given.
- 6.5. Ranking points will only be given to a team when they have won at least one match during that tournament. If a team Forfeits after having won at least one match, those players do not receive ranking points for the Senior Belgian Padel Tour. When a team gives a Walk Over (legitimized/excusé) after having won at least one match, ranking points are given. Walk Over/Forfait matches are counted as a “Win” for the final ranking. A BYE does not count as a win.
- 6.6. The ‘**Senior Padel Belgium Ranking**’ takes the last 4 tournaments into account (Senior Belgian Padel Tour tournaments and the Senior Belgian Championship).
A weighted average of the best 2 tournament results is used based on the number of played tournaments:
- 2 tournaments or more: average of the best 2 tournaments
 - 1 tournament: 85% of the ranking points
- 6.7. Padel Belgium may sanction (will not receive any ranking points for this week) players who participate in more than 2 tournaments (and maximum 4 series within these 2 tournaments) in the same week (date of the final determines the week number).

7. SELECTIONS FOR EUROPEAN AND WORLD CHAMPIONSHIPS
