-------	------	-----------	---------------	-----	----------	----------------------	---	------------------------------------	-------------------------------	------------------------------

* The 'Padel Belgium Ranking' takes into account the last 4 tournaments (Belgian Padel Tour tournaments and the Belgian Championship).

A weighted average of the best 2 tournament results is used based on the number of played tournaments:

- 2 tournaments or more: average of the best 2 tournaments
- 1 tournament: 85% of the ranking points

** Since the Belgian Championship 2023 the +35 category has officially been cancelled by FIP. Therefore Padel Belgium has also cancelled this category and will only continue to organise those categories officially recognized by FIP.
